2004 HENK VOS

DESIGN INSPIRATION

Dinner was great, dessert came and went, and now it is time to put the world to rights. Immediately—and unconsciously—people will want to slide their chair back, turn their body at a slight angle, and try and rest their arm on the chair back. Dining chair (and bench) 'DWI' allows you to do just that. Its low, padded back is perfect for adopting that relaxed seating position, that comes so naturally to all of us. And why not use 'DWI' in a meeting room? It will do wonders for the atmosphere.

LINTELOO

DESIGNED BY HENK VOS

Henk Vos' design motto? 'Better empty than ugly.' His furniture designs are as outspoken, honest and straightforward as you would expect from a man whose roots are well-established in the heavy clay of Groningen, the Netherlands' most northern province. When Henk's father, Wiebe Vos, suddenly died in 1963, 23-year old Henk—a graduate of the Rotterdam Academy of Art—took over the furniture factory that had been in the family for generations. With his young and adventurous spirit, he turned it into a leading interior design emporium: Vos Interieur. The Vos family ties remain strong: in 1996, Henk's son Bart Vos designed the company's ground-breaking new concept store, 'Maupertuus'. And Henk's other son, Roderick, also followed in Dad's designer footsteps. Some of Henk's designs for Linteloo date back longer than we care to remember, but their timeless quality has turned them into icons of good design.

SPECIFICATIONS

Body: Solid wooden frame, with polyurethane foam.

Finish: Legs are stained in Mocha and protected with a matt varnish.

Upholstery: Composition of fabrics depends on the customer's choice of upholstery. Leathers are either aniline or pigmented/sealed.

OPTIONS

Upholstery: Slipcover, available in all fabrics and leathers from the LINTELOO collection. Please note: leather upholstery requires more (visible) seams than fabric upholstery. For an impression of LINTELOO's fabrics and leathers, see 'Materials' at linteloo.com

Special features: Chair comes with felt gliders. Other gliders available on request. Another option is to have the legs shortened and put on nylon swivel castors, at a surcharge (overall seat height will remain the same).

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Upholstery: Maintenance of the upholstery obviously depends on your choice of fabric or leather. As a rule of thumb, fabric upholstery—especially when removable—is easier to clean in case of spots and spills than leather. On the other hand, leather will handle regular wear and tear better, in a sense that the odd sign of use only adds to its character.

Cushions: Again, the level of maintenance depends on your choice of filling. Down/feather-filled cushions require regular plumping up and airing. But you may prefer the firmer seating experience and hypoallergenic qualities that a 100% polyester filling provides.

Legs: The occasional wipe-down with a damp cloth is all it takes.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.
