

CUP OF TEA

2007 HENK VOS

DESIGN INSPIRATION

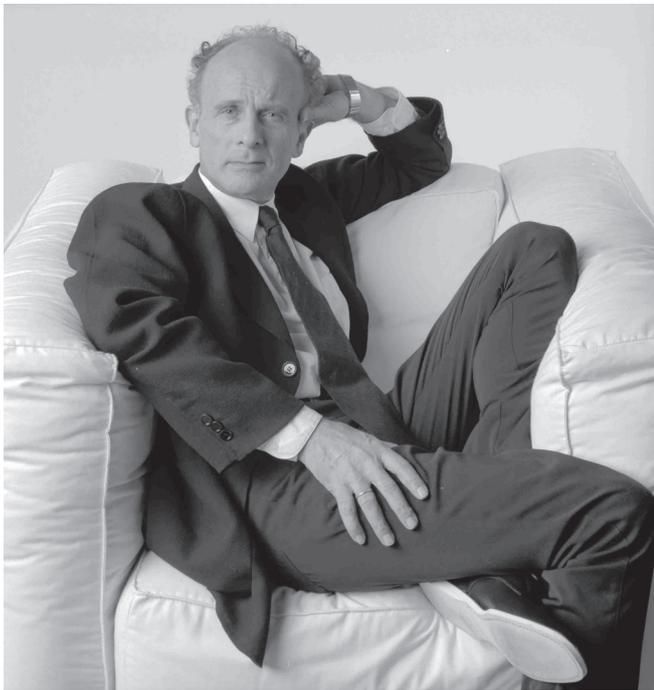

Do you enjoy stretching out on your own sofa, reading a book—or resting your eyes—without wanting to roll over and reach out towards your coffee table? Nowhere else to put your cup of tea, other than precariously balancing it on your knee? Versatile, light-weight 'Cup of tea' is the answer. You can move this little side table anywhere you want, including sliding it over the seat next to you. And don't worry: it also accomodates a glass of wine.

LINTELOO

DESIGNED BY HENK VOS

Henk Vos' design motto? 'Better empty than ugly.' His furniture designs were as outspoken, honest and straightforward as you would expect from a man whose roots were well-established in the heavy clay of Groningen, the Netherlands' most northern province. When Henk's father, Wiebe Vos, suddenly died in 1963, 23-year old Henk—a graduate of the Rotterdam Academy of Art—took over the furniture factory that had been in the family for generations. With his young and adventurous spirit, he turned it into a leading interior design emporium: Vos Interieur. The Vos family ties remain strong: in 1996, Henk's son Bart Vos designed the company's ground-breaking new concept store, 'Maupertuus'. And Henk's other son, Roderick, also followed in Dad's designer footsteps. Some of Henk's designs for Linteloo date back longer than we care to remember, but their timeless quality has turned them into icons of good design. Henk passed away in 2020, but his legacy lives on.

SPECIFICATIONS

Body: Solid oak, strengthened by an (invisible) steel frame

Origin: Hand made in The Netherlands

OPTIONS

Finish: Natural (treated with linseed oil),
or stained anthracite (protected by a matt varnish)

MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
