

HOOD

2020 BART VOS

DESIGN INSPIRATION

Architect Raymond Mathewson Hood (1881-1934) was famed for his Art Deco-style buildings, most notably the Tribune Tower in Chicago and several of Manhattan's most beautiful high-rises, such as the American Radiator Building. The 'Hood' cabinet by Dutch designer Bart Vos pays tribute to the man and his vision, with the strong, clean lines that epitomise both Hood's and the Bauhaus design theory, which values utility as beauty. With its simple system of assembly, configuration and extension—both in height and width—, 'Hood' is extremely flexible and versatile, allowing you to be the architect of your own life.

LINTELOO

DESIGNED BY BART VOS

Talk about design being part of your genetic makeup: his father was renowned designer Henk Vos, one of his brothers is equally renowned designer Roderick Vos. As a matter of fact, Bart Vos is preceded by no less than three generations of furniture makers. It was only a couple of years since Bart graduated from the Royal Academy of Art in The Hague, when his father asked him—aged just 24 at the time—to design the ground-breaking Maupertuus building for the Vos emporium in Groningen. Today, Bart is Vos Interieur's creative director, responsible for interior design projects in the Netherlands and abroad. And he regularly turns his hand to furniture, for various international brands, including Linteloo. His awareness of and interest in 'the real world', outside the confines of a showroom or studio, shine through in his designs: extremely beautiful yet utterly useable.

SPECIFICATIONS

Shelves and uprights: Brushed oak-veneered MDF with a matt varnish.

Shelf dividers and end pieces: Brushed oak-veneered MDF with a matt varnish.

Bolts & adjustable feet: Aged brass.

Safety: When destined for stand-alone use—for instance, as a room divider—, certain L, U or Z configurations can be self-supporting. All other configurations must be secured to the wall.

Origin: Hand made in The Netherlands

OPTIONS

Shelf dividers: Vertical wooden dividers (screwed into place).

End pieces: Wooden end pieces can be placed at either end of a shelf, with room behind—between end piece and cabinet sides—for wiring et cetera.

Shelf extenders: On the outside of the uprights, (visual) shelf extenders can be used to create the illusion of the shelf extending beyond the upright.

Height uprights: 77 cm, 110 cm or 197 cm. With a connector, uprights can be couples vertically.

Overall width 1 element: 176 cm. Please note: when extending the cabinet with extra elements, an upright will serve shelves to its left and right. This means that a cabinet of, for instance, 2 elements does not measure $2 \times 176 = 352$ cm, but 326 cm.

Corner shelves: Right-angle or rounded.

MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).

- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.

- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).

- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
