

ISOLA

2010 STUDIO RODERICK VOS

DESIGN INSPIRATION

With 'Isola', Studio Roderick Vos challenges the convention of having round, square or rectangular tables. Roderick was inspired by the pattern that waves leave on sandy beaches. Hence, the tabletops of the dining table, side table and coffee table in the series, feature an organic silhouette and delicately milled rings, making 'Isola, quite literally, an island of beauty in any space.

LINTELOO

DESIGNED BY STUDIO RODERICK VOS

Roderick Vos, (Groningen, The Netherlands, 1965) started his studies in Industrial Design at Design Academy Eindhoven in 1984. In 1987, working as a trainee, he moved to Japan for 6 months. Being partly Asian himself, this particular period evidently had a large impact on his personal interest in Asian Culture and its works. Together with his partner Claire Vos, he graduated in 1990 from the Design Academy and moved to Indonesia, Surabaya to develop their knowledge of rattan furniture and textile production. In 1999 they officially started their design office 'Studio Roderick Vos', now based in Nijmegen, the Netherlands. Several of their works were acquired by prestigious museums, such as Stedelijk Amsterdam and Museum of Arts & Design New York.

SPECIFICATIONS

Legs and top: Solid oak, solid sucupira or solid walnut.

Origin: Hand made in The Netherlands.

OPTIONS

Finish: Oak available in an 'anthracite' or 'clay green' (stain protected with a matt varnish), 'white wash' or 'dark grey' (with a pigmented oil). Sucupira and walnut are finished with an oil.

Top sheet processing: CNC milled rings or flat brushed oak.

MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl.

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
