

KONE

2012 **ANDERS NØRGAARD**

DESIGN INSPIRATION

Anders Nørgaard took everything he learned about comfort and functionality from the great Danish designers that went before him and distilled this knowledge into 'Kone'. A simple yet oh so striking silhouette, combined with perfect support in all the right places. Be warned, you will never want to get up again.

DESIGNED BY ANDERS NØRGAARD

Anders Nørgaard literally learned at the feet of the masters. Growing up in Aarhus, Denmark, he was surrounded by the Danish architects and designers of the 50s and 60s, who were part of his parents' circle of friends. As a young boy, he would spend his holidays at their workshops, absorbing knowledge and skills. This helped him in later life, as a designer, to resolve the tension between theoretical design ideas and the practicalities and limitations of manufacturing. A graduate from the Danish Royal Academy of Fine Arts in 1989, Nørgaard launched his own studio in 1994. From his offices in the harbour district of Aarhus, he has created award-winning chairs and sofa designs for internationally renowned brands. Nørgaard's approach focuses on both function and form, achieving a clean, perfectly proportioned aesthetic that is rooted in Scandinavian design traditions and Danish Modernism.

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Upholstery: Maintenance of the upholstery obviously depends on your choice of fabric or leather. As a rule of thumb, fabric upholstery—especially when removable—is easier to clean in case of spots and spills than leather. On the other hand, leather will handle regular wear and tear better, in a sense that the odd sign of use only adds to its character.

Cushions: Again, the level of maintenance depends on your choice of filling. Down/feather-filled cushions require regular plumping up and airing. But you may prefer the firmer seating experience and hypoallergenic qualities that a 100% polyester filling provides.

Legs: The occasional wipe-down with a damp cloth is all it takes.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

■ Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).

■ Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.

■ Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).

■ Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.
