INSIDE OUT

2018 KLAAS KUIKEN

DESIGN INSPIRATION

With his 'Inside Out' cabinet, Klaas set out to reveal the inner beauty of the Finsa MDF Greenpanel material: different-sized 'cells' in an interesting grid formation, an aspect of this innovative, ultralight yet extremely stable material that often remains hidden. But Klaas Kuiken has—quite literally—turned it 'inside out', elevating the humble material to an almost sculptural level, in an interesting combination with solid oak.

LINTELOO

INSIDE OUT

DESIGNED BY KLAAS KUIKEN

Klaas Kuiken (1984) may be an alumnus of ArtEZ School of Arts in Arnhem, when you see him at work in his workshop, it conjures up memories of old skool alchemists, of inventors who delve deep into the mysteries of a material's properties, turning the world-as-we-now-it upside down. Or, in the case of his designs for Linteloo, inside out. Klaas is fascinated by how things are made, especially when mass-produced. He challenges the influence of mass production on the identity of products, by looking for flaws in the end result and subsequently celebrating those flaws. He enjoys looking below the surface and taking us with him on this journey of discovery. At Linteloo, we thoroughly appreciate Klaas' truly personal and individual way of approaching the world of design.

Option A: Green doors, sprayed with a protective matt varnish / body and shelves in white-washed oak / handles and legs powder-coated gold.
Option B: Black doors, sprayed with a protective matt varnish / body and shelves in natural oak / handles and legs powder-coated black (textured).

MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at www.linteloo.com.

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
