

# MARK

2016 SEBASTIAN HERKNER

---

## DESIGN INSPIRATION

De 'Mark' dining chair presents a strong, graphic silhouette, characterized by its almost childlike simplicity. Interesting fact: despite its decidedly contemporary look and feel, 'Mark' harks back to the days when stools and tables were stood on uneven floors, where three legs were definitely the way to go.

## DESIGNED BY SEBASTIAN HERKNER

'There is a sensitivity and identity to my work that emphasizes the function, the material and the detail.' Sebastian Herkner (1981) studied Product Design at Offenbach Design Academy. He interned at Stella McCartney in London where he developed a liking and true flair for colour, material and their connection—a characteristic that has never left him. As early as 2006 Sebastian established his own studio and has since been involved in projects for a wide range of companies and institutes, increasingly gaining international acclaim. By now, his trophy cabinet must be bursting at the seams and Maison&Objet even elected him "2019 - Designer of the Year". Sebastian pairs an unconditional love for traditional craftsmanship with a feel for new technologies, a combination resulting in refined shapes and tactile surfaces—the perfect match with Linteloo.

## OPTIONS

**Finish:** Natural, stained white, light grey, grey, black, blue, red, green, ochre, pink or orange. Protected by a matt varnish.

**Special features:** The chair comes with nylon gliders. Other gliders available on request

## MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at [linteloo.com](http://linteloo.com). Detailed information on care and cleaning, including the recommended products, can also be found at [linteloo-care.nl](http://linteloo-care.nl)

**Solid wood:** Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

## WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at [www.linteloo.com](http://www.linteloo.com).

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
