2011 MARCEL WOLTERINCK

## DESIGN INSPIRATION

Its slender, cantilevered frame gives the Figilio series a light-hearted, sophisticated and elegant feel. At the same time, the plump cushions and relaxed look of the outward seams, shout 'come, sit, relax!' Because of the flexibility in upholstery options, 'Figilio' offers an impressive opportunity for customization, creating a highly individual piece of furniture.

## DESIGNED BY MARCEL WOLTERINCK

When Marcel Wolterinck opened his flower shop in Laren, the Netherlands, in 1986, little did he know he would soon be one of the prominent representatives of modern Dutch design. His floral creations with their immediately recognizable 'Wolterinck signature', evolved into interior design projects around the world. It will come as no surprise that Marcel loves using wood and other natural materials, celebrating their unique variations in texture and colour. His designs are sophisticated yet utterly liveable, with a strong emphasis on a sense of warmth and comfort. Marcel loves the interplay between indoor and outdoor spaces: 'I enjoy design in which the outside and inside grow together and towards each other, overlapping and connecting.'

## OPTIONS

**Upholstery:** Removable cushion covers, fixed body cover, available in all and leathers fabrics from the LINTELOO collection. Customers can opt to supply their own choice of upholstery fabric/leather. Please note: leather upholstery requires more (visible) seams than fabric upholstery. For an impression of LINTELOO's fabrics and leathers, see 'Materials' at [linteloo.com](http://linteloo.com)

**Cushions:** Available with either goose down/feather or hypoallergenic fibre filling.

**Special features:** Each part of a 'Figilio' sofa or longchair (body, seat cushions, back cushions and—optional—lumbar cushions) can be upholstered in a different fabric or leather, for an interesting play with texture or colour. Full set of fabric replacement covers available at 50% of the current retail price of the piece of furniture. Leather replacement covers on request. For optimum versatility, the longchair can also be ordered as a 'stand-alone' piece, which differs slightly from the modular longchair.

## MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at [linteloo.com](http://linteloo.com). Detailed information on care and cleaning, including the recommended products, can also be found at [linteloo-care.nl](http://linteloo-care.nl)

**Upholstery:** Maintenance of the upholstery obviously depends on your choice of fabric or leather. As a rule of thumb, fabric upholstery—especially when removable—is easier to clean in case of spots and spills than leather. On the other hand, leather will handle regular wear and tear better, in a sense that the odd sign of use only adds to its character.

**Cushions:** Again, the level of maintenance depends on your choice of filling. Down/feather-filled cushions require regular plumping up and airing. But you may prefer the firmer seating experience and hypoallergenic qualities that a 100% polyester filling provides.

**Legs:** The occasional wipe-down with a damp cloth is all it takes.
