

MANTOVA

2011 MARCEL WOLTERINCK

DESIGN INSPIRATION

Mantova—the city that Romeo was banished from, in Shakespeare's 'Romeo and Juliet'. How homesick he must subsequently have felt, because Mantova ranks high among the most beautiful Renaissance cities of the world. Today, the town lends its name to this slender design by Marcel Wolterinck—a series of clean-lined and utterly useful accent tables, adorned with intricate sucupira wood.

DESIGNED BY MARCEL WOLTERINCK

When Marcel Wolterinck opened his flower shop in Laren, the Netherlands, in 1986, little did he know he would soon be one of the prominent representatives of modern Dutch design. His floral creations with their immediately recognizable 'Wolterinck signature', evolved into interior design projects around the world. It will come as no surprise that Marcel loves using wood and other natural materials, celebrating their unique variations in texture and colour. His designs are sophisticated yet utterly liveable, with a strong emphasis on a sense of warmth and comfort. Marcel loves the interplay between indoor and outdoor spaces: 'I enjoy design in which the outside and inside grow together and towards each other, overlapping and connecting.'

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl.

Solid wood: Wood is a natural product, which may scratch, shrink and expand. Keep this to a minimum by using coasters, by not putting wooden furniture too close to a heat source, and by keeping your home at a 50-60% humidity level. Oil-treated woods benefit from regular nourishment. Varnished or painted woods can simply be wiped down with a damp cloth.

Wood veneer: Simply wipe down with a damp cloth for easy cleaning. Do not use abrasives or silicon-based lustre agents.
