

FORMA

2025 SJOERD VROONLAND

DESIGN INSPIRATION

Coffee table 'Forma' perfectly unites apparent contractions in shape and material. Cool meets warm. The irregular veining of the 'Emperador' marble finds its more linear counterpoint in the dark oak. And the geometric shape has—quite literally—been made less edgy by rounding off its silhouette. The result is both restrained and impressive.

DESIGNED BY SJOERD VROONLAND

Sjoerd Vroonland (1985) studied at the Wood and Furniture College in Rotterdam and also graduated from ArteZ Academy, specializing in product design. Today, Vroonland runs his own label from his atelier in Amsterdam. His innovative products are inspired by classic designs and are created using materials, techniques and shapes that we are all familiar with. From the archetypal saddle to the antique clothespin, Vroonland uses the best features of timehonoured design and finds new ways to apply them, combining contrasting materials. Instead of hiding all the 'technical' details, the designer focuses on the beauty of structure and construction: the materials are uncompromised and the line of work can be clearly seen. The result is a pure and poetic dialogue between craft, innovation and modern-day living.

MAINTENANCE

All LINTELOO furniture has been made with love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at linteloo.com. Detailed information on care and cleaning, including the recommended products, can also be found at linteloo-care.nl.

Wood: Wipe the wood surface with a damp cloth, followed by a clean, dry cloth.

Marble: It is treated with a stainresistant product, but marble will always be susceptible to staining. Acids (lemon juice, wine or vinegar) will eat into the marble, turning it matt. Remove any spills immediately, with a clean, damp cloth.
