

# PASHA

2025 GUILLAUME LOPEZ

---

## DESIGN INSPIRATION

The word 'Pasha' conjures up images of One Thousand and One Nights, of Sheherazade, seductively leaning against the cushions of a low-slung divan, of a nomadic culture in which trays of sweet tea were the basis for long conversations under starry skies, and in which furniture was comfortable and modular. Centuries later, this sofa 'Pasha' oozes that same sense of luxury and comfort, with sheer endless possibilities when it comes to size, upholstery, and configurations.

## DESIGNED BY GUILLAUME LOPEZ

Upon graduation—mentored by François Bauchet and Éric Jourdan at the Saint-Étienne School of Art and Design—Guillaume Lopez (1989) joined the leading brand of Christophe Delcourt. His passion for elegant, sophisticated finishes and a subtle colour palette subsequently brought the young designer to Toronto, where George Yabu and Glenn Pushelberg presented him with an opportunity to take his design talents to exclusive projects all over the world. In 2022, he struck out on his own and started his own studio in the French Alps. Guillaume is a strong believer in dialogue, in the broadest sense of the word—from the way in which shapes communicate with each other to merging past and present experiences, and combining state-of-the-art manufacturing techniques with natural materials. But above all, he believes in the power of collaboration, of shared passions. And with LINTELOO he shares the passion for great design.

## SPECIFICATIONS

**Body:** Wooden frame with polyurethane foam, wrapped in hypoallergenic polyester fiber, 100% cotton inner cover.

**Coupling system:** The elements in any configuration are joined together by a steel coupling system.

**Legs:** Polyurethane (not visible).

**Seat and back cushions:** Polyurethane foam core, wrapped in a 100% cotton duvet filled with hypoallergenic polyester fiber.

**Trays:** Solid oak in grey brown.

**Upholstery:** Composition of fabrics depends on the customer's choice of upholstery. Leathers are either aniline or pigmented/sealed.

## OPTIONS

**Upholstery:** The seat cushions can be upholstered in a different fabric or leather than the back and base of the sofa. Fabric: removable cover, available in all fabrics from the LINTELOO collection. Leather: fixed body cover, available in all leathers from the LINTELOO collection. Customers can opt to supply their own choice of upholstery fabric/leather. Please note: leather upholstery requires more (visible) seams than fabric upholstery. For an impression of LINTELOO's fabrics and leathers, see 'Materials' at [linteloo.com](http://linteloo.com)

**Special features:** Full set of fabric replacement covers available at 50% of the current retail price of the piece of furniture. For optimum versatility, all elements can also be ordered as a 'stand-alone' piece.

## MAINTENANCE

All LINTELOO furniture has been made with lots of love and care. Of course, we want you to enjoy it, for as long as possible. Proper maintenance will prolong its lifespan, which is why each piece of LINTELOO furniture comes with a maintenance instruction booklet, also available for download at [linteloo.com](http://linteloo.com) Detailed information on care and cleaning, including the recommended products, can also be found at [linteloo-care.nl](http://linteloo-care.nl)

**Upholstery:** Maintenance of the upholstery obviously depends on your choice of fabric or leather. As a rule of thumb, fabric upholstery—especially when removable—is easier to clean in case of spots and spills than leather. On the other hand, leather will handle regular wear and tear better, in a sense that the odd sign of use only adds to its character.

## WARRANTY

All LINTELOO sofas and chairs are backed by a 10-year warranty on the frame. Cushions, upholstery and all other LINTELOO products are backed by a 3-year warranty, with a depreciation of 1/3 each year. Please make sure you keep your invoice or receipt. Excluded from the warranty are:

- Regular wear and tear, damages and discolouration of upholstery (fabric and/or leather).
- Creasing, colour and structure variations and other irregularities, which are part of the natural characteristics of fabrics, leather and/or wood.
- Complaints regarding fabrics and/or leathers which are not part of the standard LINTELOO collection (specially supplied fabrics and/or leathers).
- Damages caused by improper use, inadequate or incorrect maintenance, or repairs carried out outside the scope of LINTELOO's responsibility. LINTELOO uses the Terms and Conditions of the Centrale Bond van Meubelfabrikanten, available at [linteloo.com](http://linteloo.com)

If you have any questions, please contact your LINTELOO dealer or LINTELOO's customer service department.
